exe issues for the most part, please try to use the latest released version of this product, or one of the preceding versions. You can get the latest version at: ## Support for Windows 10 ends on January 9, 2020. To avoid performance and reliability issues for the most part, please try to use the latest released version of this product, or one of the preceding versions. You can get the latest version at: ## Support for Office 365 ends on January 9, 2020. To avoid performance and reliability issues for the most part, please try to use the latest released version of this product, or one of the preceding versions. You can get the latest version at: ## Availability \*Microsoft 365 Apps for Office Home and Business comes in two flavors: \* \*Home\* & \*Pro\* \* \*Express\* The Express edition is for users who do not want any premium capabilities but want to use the app. It's free for your first 2 years and the features can be enabled/disabled at any time. After 2 years, the app is free for a year. \*Microsoft 365 Apps for Office Home and Business Pro comes with the following premium features: \* \*\*Licensing\*\*\*: Microsoft 365 Apps for Office Home and Business Pro is licensed on a per user basis. The user is licensed to use the features for the apps on all the devices owned by them (e.g., PCs and tablets). When a user logs on from a new device, the user is assigned a license to use the apps on that device. The license is valid for one year and can be extended beyond one year. \* \*\*Office 365 Advanced Threat Protection\*\*\*: Microsoft 365 Advanced Threat Protection for Office 365 Pro Plus is an additional component of the subscription that provides real-time protection against zero-day and targeted attacks against users, data and IT systems. Microsoft 365 Advanced Threat Protection for Office 365 Pro Plus is sold in an individual, family and enterprise bundle. Users can purchase Microsoft 365 Advanced Threat Protection for Office 365 Pro Plus for two years after the initial sale of Microsoft 365 Advanced Threat Protection for Office 82157476af
